

In the springtime

Au printemps (in the springtime), je peux voir (I can see) des fleurs (flowers), une tulipe (a tulip), une jonquille (a daffodil). Je peux aussi voir des bourgeons (buds). Il y a souvent un arc-en-ciel (a rainbow) après la pluie !

In the springtime, what can you see in the garden?

Choose and use

I can see

in the springtime

a tree

flowers

rabbits

birds

buds

on

a rainbow
